Steps to reproduce

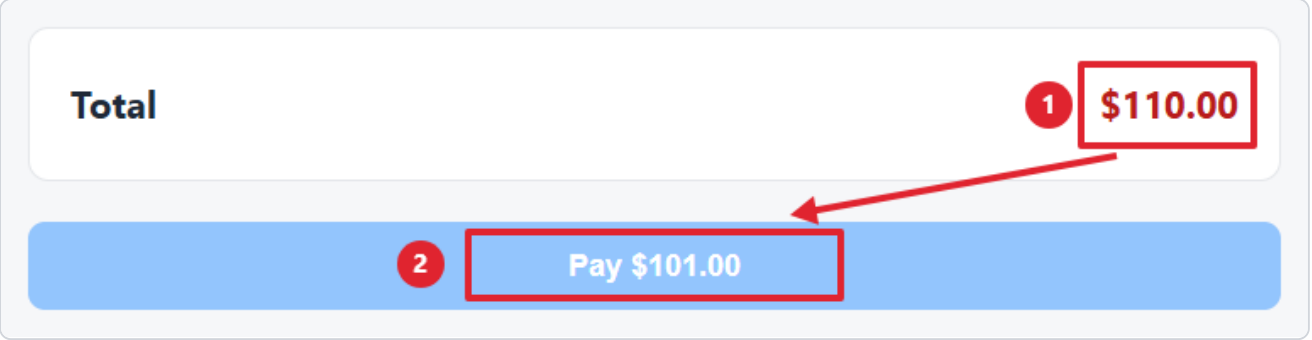

- Add the headphones and the USB-C cable to the cart.
- Open the checkout page in desktop Chrome.

Expected: the button charges the total, $110.00.

Actual: the button says $101.00, delivery is not added.

Severity: high, every order with paid delivery is charged short.

Comment

1: the total is $110.00. 2: the button charges $101.00, the $9.00 delivery is missing.

Comment

The free delivery note contradicts the $9.00 delivery line above.

Fix the button amount first: it loses money on every order. The contrast and the note can go in the next release.
